* Audition required.

** Offered jointly with the College of Arts and Sciences.

*** Offered jointly with the School of Business Administration.

† The Secondary Teacher Education Program (STEP) at Oakland is a partnership program in secondary education leading to a recommendation for certification to the Michigan Department of Education. Students earn their disciplinary credits (in Biology, Chemistry, English, History, Japanese, Mathematics or Physics) from the College of Arts and Sciences and their professional course credits from the School of Education and Human Services. Oakland also offers five K-12 partnership programs between the College of Arts and Sciences and the School of Education and Human Services: French, German, Japanese, Music, Spanish and Studio Art.

†† Offered exclusively for transfer students who have earned an Associate of Applied Science degree from an accredited community college.

††† Offered on campus and as an online program.

‡ Offered online only.
