

## Request for Readmission to the Oakland University

### School of Nursing Undergraduate Program

Students who have been dismissed from the School of Nursing (SON) will be considered for readmission on a case by case basis. Application for readmission must be made within 12 months of the date of dismissal. Students requesting readmission to the SON must complete this form in its entirety and submit it along with their answers to the questions posed in Part B. The SON will notify each student in writing when a decision has been made.
