 - b. Below is information to help in your meeting with a OCC adviser

MICHIGAN TRANSFER AGREEMENTS:

In many cases it is to a student's advantage to complete the MTA or MACRAO agreement when fulfilling General Education requirements. This may allow for more flexibility when creating a schedule while at your community college. When choosing to complete MTA or MACRAO, please confirm the best courses to take to fulfill the agreement with your academic counselor at OCC or [MTA Approved Courses](#)

Additional course requirements for MTA when completing ADN (minimum 30 credit hours required for MTA):

MTA Approved Math
 MTA Approved Science
 MTA Approved Social Science
 MTA Approved Humanities
 MTA Approved Humanities (Only needed depending on course selection for ADN)

SPECIAL NOTE REGARDING MTA OR MACRAO: In some cases, completing the MTA or MACRAO agreement is not as practical. When using MTA or MACRAO, your ability to make the most efficient course selections at OU may be impacted depending on your accumulated credits and chosen OU major. For more details on whether or not it is recommended for you to complete MTA or MACRAO, please consult with an OU academic counselor.

If you plan to transfer without completing a transfer agreement, please reference the table below for courses that satisfy individual categories.
