Export Control Checklist for H-1B/DS-2019 Applications

Name of visa candidate: \_\_\_\_\_
Country of origin: \_\_\_\_\_

This checklist should be completed and signed by the person who is most knowledgeable about the work in which the foreign national (visa candidate) will be engaged, as well as their Department Chair/Director.

This could be the person who is sponsoring the foreign national for the visa, or the principal investigator on the research project(s) in which the foreign national will be involved. This checklist must accompany the H-1B/DS-2019 form. More information on the export control regulations is available on OU's Export Control compliance webpage: http://www.oakland.edu/research/compliance/

- 1. Is there anything about the proposed research that does NOT meet the definitions of "fundamental research"?
2. Does the research agreement (e.g. grant or contract) restrict or prohibit the participation of foreign nationals in the project?
3. Does the research agreement (e.g. grant or contract) prohibit or otherwise restrict the investigator's right to publish any of the results?
4. Is there any language in the research agreement regarding export control regulations beyond a basic agreement to comply with the regulations?
5. Is any of the technical data or equipment associated with the project found on the Munitions List?
6. Is any of the technology (equipment, software, etc.) associated with the project found on the Commerce Control List?

If you answered YES to any of the above, you must check #2 on the H-1B certification form.
