

ANGELO STATE UNIVERSITY

(Texas)

MA & MS in Interdisciplinary Studies

Program Path:

IDS Type: Unrestricted IDS

Program Type: Floating IDS Program

Description: The Master of Arts (MA) or Master of Science (MS) degree with a major in Interdisciplinary Studies is designed for the student whose educational needs can best be met by a nontraditional course of study. The objective is to provide students with the opportunity to pursue graduate-level studies in multiple disciplines, to upgrade their formal education in their fields of specialization, and to develop broader professional skills. (From website.)

Program Structure:

Admission Requirements: Application, Official Undergraduate Transcripts, Plan of Study, GRE. Students must have a score of at least 1900 using the formula: 200 (grade point average of the undergraduate degree program) + the score on the verbal portion of the Graduate Record Exam (GRE) + the score on the quantitative portion of the GRE + the Analytical Writing Conversion Score on the analytical portion of the GRE. Applicants who fall slightly short of this formula may be considered for provisional admission. (From website.)
