

POST-GRADUATION SUCCESS

Featuring 2019–2020 first-destination survey results

School of Business Administration
Oakland University

On the Cover

Dynamic collaborations with area employers connect talented OU business students like **JASON ROUSSEAU** to leading companies where they excel in internships that catapult them to professional success.

SCHOOL OF BUSINESS ADMINISTRATION

CREDENTIALS

At the Oakland University School of Business Administration, the embedded Career Services team collaborates with employers to find the best Grizzly talent for their recruitment needs. Through networking and recruiting events, on campus and virtual interview opportunities and the job posting platform, Handshake, employers discover confident OU talent with real world experience. The team takes the responsibility of connecting bright minds to opportunities seriously.

At OU, Career Services is pushing the boundaries to build a strong career focused culture by empowering students through school specific career communities. Here Oakland students can engage in powerful career related events and programming, identify and pursue relevant experiences inside and outside the classroom, and develop career competencies that lead to a lifetime of personal and professional success.
