

### Communication B.A. Major in FOUR Academic Years (2016-2018)

This is a breakdown of how a student, knowing he or she wanted to be a Communication major upon entering OU, could complete the General Education, CAS Exploratory, and major requirements within a 4-year period of time. This plan is an example only and not a guarantee of course offerings.

*The below plan is based on ACT English of 16-27/SAT Writing 410-610 **or** AP/IB/CLEP equivalents.*

			Total = 124 credits

Note: \*Students who take COM 3080 MUST repeat it for 4 credits total. ^Students may take COM 3000, COM 3002, COM 3003, COM 3201, and/or COM 4201 to satisfy the requirement for either Theory or their corresponding Group categories, but not both (e.g. a student who takes COM 3003 may satisfy the requirement for Theory or for the Media group, but not both). Students may elect to complete one year of a modern foreign language instead of sign language (COM 1500 and 1501). If so, they would complete two COM electives instead of two Electives in their third year. If the modern foreign language option is selected, students would also replace one G.E. Category with an Elective in their fourth year. The term "elective" may not be completely "free" in that this table does not address the university requirements of G.E. Integration or 32 credits at the 3000-4000 level.
