- GUEST TICKETS AND SEATING
  To ensure a pleasant, high-quality experience and to guarantee seating for your guests, each graduate may request tickets for family and friends. A completed application for graduation form must be submitted, by the graduate, in order to receive his or her guest tickets. Please complete the application for graduation form on the web.

IMPORTANT: GUEST TICKET PROCEDURE
- Guests tickets will be distributed to graduates at the Commencement Fair located in the Gold Rooms in the Oakland Center on Saturday, November 12 and Thursday, November 17.

On commencement day, doors to the Athletic O’rena will open for guest seating one hour before the start time of the ceremony. All guests aged three and over must have a ticket for admission and are asked to be seated 15 minutes before the ceremony begins. Note: The gate/turnstiles will temporarily close during the processional (at the beginning of the ceremony) and will open again for late guests.
Children are welcome to attend; however, it is the parents’ responsibility to keep them quietly seated during the ceremony. Children under three without tickets will not have a separate seat and must sit in their parent’s lap.

Each ceremony will be interpreted in American Sign Language for the hearing impaired.

Handicapped (wheelchair) accessible seating for guests is available at the top of the O’rena. There is handicapped accessible parking in front of the O’rena, as well as a ramp.

When the ceremony is ready to begin, graduates process into the O’rena. Each ceremony will begin promptly at the scheduled time and will last approximately 1½ to 2 hours.

They will exit the stage using the center stairs and return to their seat.

Welcome to YOUR…

Congratulations on your graduation! We are excited to welcome you into the Oakland University Alumni Association, a community of over 100,000 alumni. As a graduate of OU, you are now automatically a member of the OUAA and qualify to receive the benefits available through the association without membership fees. We encourage you to participate in the life of the university in a way that is meaningful for you. Together, alumni make a difference by participating in events that support scholarships and programs, volunteering their time, making a gift, advocating for OU, mentoring OU students, and sharing their OU pride.

Not only does the OUAA keep you connected to your alma mater, but also provides you with services and benefits that include access to returning alumni scholarships, campus programs and networking events, and savings with several local and national companies when you use your membership card. Visit oualumni.com for more information including meaningful resources and programming specifically for young alumni at oualumni.com/youngalumni.

Get involved! The theme I AM OU is our call to action identifying five ways alumni make a difference:

**Impact** a student’s experience. Through the OUAA Scholarship Program, more students are able to achieve their dream of pursuing an OU degree. To date, the OUAA has awarded more than $1 million in scholarships to qualified OU students.

**Advocate** for OU. Attend signature events like the OUAA Golf Challenge and the Grizzly Gala, where all proceeds benefit student scholarships. Spend a day at the ballpark at the annual OU Day at Comerica Park, cheer for the Golden Grizzlies and take a stroll down memory lane during Homecoming Weekend.

**Mentor** a student. Provide career advice to OU students at the Student to Professional Conference, open your home for good food and conversation when you have Dinner a Dozen Grizzlies and share you professional expertise with the next generation of OU graduates during Speed Networking.

**Open** doors for others. Volunteer for the Alumni Admissions Ambassador Program (AAAP) and help recruit qualified students to OU. By participating in events like college fairs and on-campus visit programs, you can share your Oakland experience with prospective students and their families.

**Update** your record. By updating your record, you can stay informed through the award-winning *OU Magazine* and the *Alumni Update* e-newsletter.
