

Oakland University
Expectations for Students in Isolation or Quarantine

Students should remain in the assigned isolation/quarantine space for the entirety of the isolation/quarantine period. Exceptions to these requirements include when you have been advised to seek medical attention or there is an emergency or fire-drill in your location. Wear a mask and socially distance any time you must leave your assigned isolation/quarantine space.

See more information at: <https://www.cdc.gov/coronavirus/2019-ncov/if-you-are-sick/steps-when-sick.html>

FOR ALL STUDENTS

1. Do not invite friends or family over to the quarantine or isolation space. Connect with friends and family virtually during this time.
2. Answer and be responsive to telephone calls and messages from the support team, this could include GHC staff or Residence Life Staff (RA/GRD/RD).
3. Report any health related concerns to your primary care physician or the Graham Health Center at 248-370-2341 or health@oakland.edu.

FOR RESIDENT STUDENTS IN ISOLATION/QUARANTINE ON CAMPUS

1. If you are assigned to quarantine or isolation, please remain in your assigned room at all times except for traveling to an assigned common restroom or for meal pick-up.
2. In the event that University staff must enter your room, you must wear a mask at all times.
3. Report any health related concerns directly to the Graham Health Center at 248-370-2341 or health@oakland.edu. The webmail and GHC phone messages will be monitored 7 days per week and a nurse practitioner will return your message within 24 hours. A nurse practitioner can provide a telehealth or in person visit as needed.

What CAN'T You Do While in Isolation/Quarantine?

- *DO NOT* go to face-to-face classes, work, public events, dining halls or group gatherings.
- *DO NOT* leave your room except to travel to your assigned restroom, for food pick-up or to receive medical care.
- *DO NOT* have visitors. Family and friends may not come to visit as this puts them and others at risk.
