

2024–2025 Parent Income Worksheet

Your student's 2024-2025 Free Application for Federal Student Aid (FAFSA) was selected for review in a process called verification. During the completion of your FAFSA, you (the student's parent) and/or your spouse (if married) were unable to successfully use the process to transfer IRS tax data. Due to this our office is required to collect additional documentation concerning you and your spouse's (if married) income. Please review and complete all information below. If additional documentation is required, please submit the outlined documentation with this form to avoid delays. Your student's award offer is an estimate until the verification process is complete and award offer finalized. The Office of Financial Aid and Scholarships reserves the right to request additional documentation to resolve conflicting information.
