Evaluation

We appreciate your feedback!
The Transfer Experience at Oakland University
Ongoing Transfer Initiatives

Matt Zeig
Transfer Articulation Coordinator
Transfer Practices

• Course work previously completed with a 2.0 (C-) or equivalent grade will be evaluated.
  – Various programs may require a higher course grade to satisfy degree requirements.
OU is likely going to a letter grading system by Fall ‘18. Our current practice of accepting a C- or 2.0 will still apply for transfer credit.
Transfer Practices

- Renumbering Courses: 3- to 4-digit

- Use for conversion information
  - oakland.edu/registrar

- Guides will be updated in Summer 2017 with 4-digit numbers
Students meeting either the MTA or MACRAO agreement will satisfy OU’s General Education requirements with the following exceptions:

- Writing intensive course in the major
- Capstone course
- Knowledge application course (if an acceptable course has not been transferred)
### GENERAL EDUCATION REQUIREMENTS

Students who complete a Michigan transfer agreement (MTA or MACRAO) satisfy the university’s general education requirements for categories 1-9 and U.S. Diversity.

Students must complete 40 credits from the following 10 categories. A course may not be used in more than one category. Each category must be fulfilled by completing one course of at least 3 or more credits. Please see the Oakland University Catalog for further information.

</table>

#### Capstone and Writing Intensive in Major Requirements

These general education requirements MUST be met by courses taken at Oakland University.
MACRAO or MTA EXAMPLE

Transfer Student Majoring in any Business major:

- Writing intensive course fulfilled by MGT 435
- Capstone course fulfilled by MGT 435
- Knowledge Applications course fulfilled by QMM 240, 241, 250 or WRT 382
Michigan Transfer Agreement

- WRT 160 is a pre-requisite for all “Writing Intensive in the Major” courses, and therefore students at CC who plan to transfer to OU should take the WRT 160 equivalent at the CC
Michigan Transfer Agreement

Transferring to OU is easy with the MTA

Oakland University participates in the Michigan Transfer Agreement (MTA), which means most of the general education courses you already took at a Michigan community college will satisfy these OU general education requirements.

### General Education

- Writing Foundations ✓
- Formal Reasoning ✓
- Arts Exploration ✓
- Foreign Language and Culture Exploration ✓
- Global Perspective Exploration ✓
- Literature Exploration ✓
- Social Science Exploration ✓
- Western Civilization Exploration ✓
- U.S. Diversity ✓
- Natural Science and Technology Exploration ✓

You’ll only need to complete these general education requirements upon transferring to OU.

- Knowledge Applications:
  - Either transfer this course or take at OU
- Capstone:
  - Take at OU (satisfied by most majors)
- Writing Intensive in Major:
  - Take at OU (satisfied by most majors)

Learn more at oakland.edu/transfer
Michigan Community College Equivalency Information

Course equivalences may be accessed in the following ways:

Type the direct link into your web browser
oakland.edu/transfers

Visit the Michigan Transfer Network site
michigantransfernetwork.org
The Transfer Credit Evaluator (TCE) contains course equivalency information for community colleges and four year institutions. Courses must be completed with a minimum grade of 2.0 or equivalent to be transferrable. The course equivalency information listed in the evaluator is subject to change.

Select the transfer institution from the drop down box. Once you have selected the institution, you can search by course subject or general education category. View our transfer credit evaluator tips for more information on how to navigate the tool below.

Please note: The OU course equivalencies available here are intended for reference purposes. Oakland University course equivalencies are subject to change. The inclusion or exclusion of courses does not guarantee applicability of transfer courses to a degree program.

Select Institution: --Select Institution--
Select Course: --Select Subject Code--
Select General Education Category: --General Ed Category--
Look up *current* transfer equivalencies for an Oakland University major or program. Select the college and then the program to download a program guide. Based on current transfer equivalencies and current program requirements, the guide provides suggested courses to take at the community college if you plan to transfer into this program at Oakland. Consult with counselors at the community college or academic advisers at OU when planning a transfer program.

Things to know before transferring: Learn how to transfer at [oakland.edu/transfer](http://oakland.edu/transfer).

1. Students may transfer one-half of the credits required for a baccalaureate degree.
2. Students who complete 3-credit-courses may be required to enroll in additional course credits to reach the required minimums for Oakland University.
3. Courses that transfer in as equivalent to 300-400 level, will not count toward Oakland University upper level requirement.
4. Please reference the Transfer Agreements tab for more information on how to transfer general education requirements through Michigan Transfer Agreement and MACRAO Transfer Agreement.
5. If you do not see a program guide for your intended major, please review the Requirements by Major Degree Checklist and Four Year Degree Plan, along with the [Equivalency by Course tool](http://equivalency.oakland.edu), to plan your transfer.

### GENERAL EDUCATION REQUIREMENTS

Students who complete a Michigan transfer agreement (MTA or MACRAO) satisfy the university’s general education requirements for Business 101 and U.S. Diversity.

**Recent Course Changes:**

HRY 251 = Western Civilization Gen Ed, good through Summer 2019

**Notes:**

- **This guide applies to all SBA majors:** Accounting, Business Economics, Finance, General Management, Human Resources Management, Management Information Systems, Marketing, and Operations Management.
- Students must have a minimum cumulative GPA of 2.8 and have completed at least intermediate algebra in order to be admitted to OU as a pre-business major.
- This guide does not replace academic advising. Prospective transfer students are welcome to call 248-370-3285 to schedule an appointment with a SBA academic advisor.
- For a complete listing of business program requirements at Oakland University please visit [www.oakland.edu/business/advising](http://www.oakland.edu/business/advising)
- Math prerequisites: MATH 096 = MTH 061 at OU; MATH 116 = MTH 062 at OU

One course with the NSTL attribute and one with the NSTB attribute is required in combination to meet the Natural Science and Technology knowledge explorations area.
## How to Read Your Transfer Equivalency Worksheet

### General Information

Your Transfer Equivalency Worksheet (TEW) is broken into two columns. The left column (Transfer Course) lists the courses you took at another institution that will transfer in some way to OU. The right column (Institution Equivalent) gives information on how those courses may be applied at OU. Remember, these are broad guidelines for OU transfer practices. Your OU academic adviser can explain your individual TEW in more detail. [ou.edu/advising](http://ou.edu/advising)

### Your Transfer Credits

Terms you may see under Subject (S/B) in the Institution Equivalent column:
- A T/F or TF means that you can use this course as a free elective, if needed. It will count toward your overall credit total at OU, and generally will not fulfill any major requirements. These credits are included in your “earned hours” at the bottom of the TEW.
- A subject abbreviation (like PSY for psychology or MTH for mathematics) means that you have earned credit in that subject area.

Terms you may see under Course (S/B) in the Institutional Equivalent column:
- A 100, 200, 300 or 400 means OU does not have an equivalent course, but it compares to 100-200, 300-400 level coursework in that subject area.
- A three-digit number (like 150 or 220) means that OU has an equivalent course.

At the bottom of each page under Earned Institution Hours, you will see the total credits earned from that institution. If you attended a school on the quarter hour calendar, your credit totals have been converted to semester hours. The total credits awarded for all schools will determine your degrees standing when you enter OU.

<table>
<thead>
<tr>
<th>Freshman</th>
<th>60-75 credits</th>
</tr>
</thead>
<tbody>
<tr>
<td>Sophomore</td>
<td>85-100 credits</td>
</tr>
<tr>
<td>Junior</td>
<td>90-120 credits</td>
</tr>
</tbody>
</table>

### Common Notations

- **Max allowed**
  - If you are an incoming community college student, you may transfer up to half of the maximum credits required for your intended degree. The “earned hours” under “TRANSFER” may be higher than your “earned hours” under “INSTITUTION” because you have reached the maximum allowed transfer credits. You may also notice that the credits for some courses have been slightly adjusted so that you do not exceed the maximum number.

- **NA**
  - If your TEW says “Max allowed,” you may also see one or more courses marked with “NA” in the “Grade” column. This notation is for internal use only.

- **MTA or MACRAO Agreement satisfied**
  - You have met Oakalnd University general education requirements. Your academic adviser will assist you in scheduling the remaining requirements.

### No Transfer Credit Allowable

- If you see this notation on your transcript, you will not receive a TEW. The institution you attended does not meet OU requirements for transfer credit.

## Advanced Placement Policies

Oakland University grants credit and/or appropriate course exemptions for scores of 3, 4, or 5 on advanced placement examinations. Some departments require evaluation of the exam booklet in order to determine whether and/or what credit or exemptions will be awarded for a specific exam.

The advanced placement policies for the individual departments are as follows:

Transfer Student Orientation

Yoel Joa
Assistant Director
Orientation & New Student Programs
Transfer Student Orientation

Part One
Online Component
oakland.edu/tso

Part Two
On campus advising and registration session
(group or individual appointment based on student’s major)
Welcome to Transfer Student Orientation Part One! This portion will take approximately 30 minutes to complete. Upon completion, you will be directed to register for Transfer Student Orientation Part Two, where you will meet with your academic adviser on Oakland University's campus and register for classes.

Key Points:
- Navigate through each section using the "Next" and "Back" buttons.
- Title bars shown in gold have additional details and information available. Click on the bar to learn about each subject.

Note: Until completion of Transfer Student Orientation Part Two, a hold will be placed on your account preventing registration for courses.

School of Business Administration

New this year:

• Proposed Financial Economics Minor
• Proposed ECN 401 Course: Analyzing Markets Using Bloomberg Terminals
School of Business Administration

Two AACSB International Accreditations providing students with:

• Academic coursework held to the highest standards
• Undergraduate programs relevant to ever-changing business climate
• Qualified, distinguished faculty
• Low student to faculty ratios

Increased opportunities for internships, co-op, and networking to get hands-on, practical experience.

Advisory Boards: Responding to Needs of Business
Criteria for Admission

Transfer Students

Pre-Business - Cumulative transfer GPA of 2.8 or above and math through intermediate algebra

Major Standing

Students must achieve a 2.0 in all pre-core classes and WRT 160. Overall GPA of 2.6 or above.
ACHIEVE Program

• ACHIEVE is a career and professional development program which teaches students important skills to be successful in the business world. It gives them a competitive edge in gaining employment in the job market.

• All incoming business students go through the ACHIEVE program.

• ACHIEVE consists of three (0 credit) courses. SBC 199 & 299 required for major standing. SBC 399 is major-specific.

• Interact with real business professionals
Points of Pride

• OU’s SBA is one of only 178 business schools – out of 15,000 worldwide – to hold the AACSB’s accreditation for its Business and Accounting programs.
  • It is also one of only 5 universities in Michigan to hold separate AACSB Accreditation in Accounting
Points of Pride

• In its 2016 edition, the Princeton Review recognized OU’s as one of the best 295 business schools.
• US News & World Report recognized us as one of the 2016 Best Graduate Schools, Part-time MBA Programs
• PayScale named OU’s Business school as a Best Value College for Business majors for annual return on investment
Points of Pride

• Experiential Learning opportunities:
  • Student Organizations
  • Scholars Leadership Development Program
  • Living Learning Community
  • Internships
  • Entrepreneurial Engagement
  • Global Exchanges and Interactions
  • Financial Analysis Lab featuring Bloomberg Terminals
  • Student-Managed Investment Fund using $2 million donated by the Kresge Foundation
• Honors Program – Proposed for 2017-2018
• New Building Addition

What’s New!

- BFA/BA Dance Education
- Bachelor of Music in Piano: Pedagogy; Pedagogy and Performance
- Psychology combined BA/MS degree (4+1)
- BA Public Relations and Strategic Communication
  - Will have competitive admission
- BA Cinema Studies with Specialization in Film Making
Criteria for Admission

Pre-major standing

• Music, Theatre and Dance require an entrance audition.
  – oakland.edu/mtd/academics/

Major standing

• Music, Theatre and Dance require an audition/interview for major standing.
• Biomedical Sciences requires completion of BIO 111 and CHM 144/147, with an average GPA of 3.5
• Social Work requires a minimum GPA of 2.80; a 28-credit pre-core set of courses; experience in the human services field (employment or volunteer work including work completed for pre-core course SW 210); two letters of reference (one from a supervisor in a human services agency; and a personal written statement.
Criteria for Admission

Major standing cont.

Secondary Teacher Education Program (STEP)

• 2.8 minimum overall GPA (including all transfer coursework)
• SED 300 with a minimum of a 3.0
• Minimum of a 3.0 in WRT 160 (or an equivalent)
• Passing scores on each of the three Professional Readiness Exam components of the Michigan Test for Teacher Certification (MTTC)
  – Possibly met by ACT or MME scores
• Minimum GPA of 3.0 (B) in both liberal arts major and minor, with no single course below a 2.0 (C) (including all transfer coursework)
Points of Pride

• The Department of Music, Theatre and Dance has partnerships with the Detroit Symphony Orchestra, the Chamber Society of Detroit, Oakland Youth Orchestras, and Eipcenter Theatre Group.

• Each summer, students in anthropology have the opportunity to participate in archaeological digs in Israel.
Points of Pride

• One of OU’s psychology professors works with undergraduate students behind the scenes at the Detroit Zoo investigating the cognition and behavior of gorillas, chimpanzees, and black bears.

• Students in OU’s Spanish Club tutor and mentor students in Pontiac at La Casa Amiga, The Hispanic Outreach Center, and Mi Escuelita.

*Offered through a partnership with the College of Arts and Sciences.
School of Engineering and Computer Science

Most Popular Majors:
Mechanical Engineering
Computer Science
Information Technology
Criteria for Admission

Pre-major Standing
Transfer students are admitted directly to the major if they have at least a 2.8 cumulative GPA. If students are between a 2.5 and 2.79, they will be admitted as a Candidate to the SECS. These students will need to meet established criteria to change their major.

Major Standing
Students apply for major standing once they have completed the math, science and core courses.
Some courses are offered at the Macomb University Center, and at the Oakland University Anton/Frankel Center.

Students cannot complete degree at OU Macomb County sites.

Interested students should meet with an academic adviser at least 1 year prior to enrollment at OU.

Academic Advising is available at the Macomb University Center 2 days per month. Please call (248) 370-2201 to schedule an appointment.
Points of Pride

• This fall we have seen record enrollment: up 21% overall, with 466 new freshmen

• Computer Science Department has seen a 42% growth since 2010

• ISE 491 Senior Design Teams working at Open Hands Food Pantry (the largest food bank in Oakland County to improve efficiency and better serve their clients

• Several Industrial and Systems Engineering Graduates have been hired in at Fiat Chrysler Automobiles’ highly competitive Manufacturing Leadership Development Program

• Last Summer, Mechanical Engineering Department provided a NSF-Funded research experience for teachers. They have also had NSF-funded research since 2006.
Engineering & Computer Science Day

- **K-12 Music Education**
  - Instrumental, Choral, or both
Elementary Education

• All of our faculty have been teachers in K-12 classrooms.
• Our Educational Resources Lab is one of the best in the state and country
• Early Childhood Education students complete a practicum in the Lowry Center in addition to field placements and student teaching in local school districts.
Criteria for Admission

Pre-major Standing:

• Elementary Education - Admission to OU

Major Standing:

• 2.80 cumulative GPA
• 3.0 or currently enrolled in EED 312/313
• 2.0 in MTH 062 or equivalent
• 70 hours working with children
• Passed all 3 sections of the MTTC Professional Readiness Exam (or Basic Skills), or have ACT/MME scores that satisfy any of the sections
Program Locations

The Elementary Education program is available both on the main campus, and the Macomb University Center.

Professional education coursework cannot be transferred in from a community college.
What differentiates our program from others is our in the classroom experiences. At OU, students have a field placement in a classroom every semester that they are enrolled in education coursework. SEHS also has a partnership with the Avondale school district, and OU students can take education courses inside of Avondale schools.
Human Resource Development
Human Resource Development

Bachelor of Integrative Studies

Lindsay Zeig
Academic Counselor & Special Instructor
Bachelor of Integrative Studies

Individualized degree program that offers maximum flexibility and opportunity for student decision making about course of study.

Ideal candidates include students

- Interested in Interdisciplinary Studies
- Engaged in one or more areas of study
- Pursuing advancement in current career
- Desiring personal growth
- Seeking prerequisites for other programs of study
Criteria for Admission

Pre-major Standing
2.0 GPA

Major Standing
2.0 GPA
Availability for Major

2+2 degree options

If a student has an Associate degree, we automatically count 62 credits towards their degree.

OU degree in BIS program.
Points of Pride

• The BIS program is the most flexible option for transfer students as it utilizes all transferable credits allowed and students can select courses based on their career interests and goals.

• It is also popular amongst those receiving Michigan Works funding, since the program can be completed in two years (or less) if a student already holds an associate degree, or 62 transfer credits.

• Integrative Studies Alumni achieved a 96% placement rate last year.
Wayne State Law 3+1 Program

• Students can double count 30 credits of Law School credits with OU credits.
• Application Process
• 3.4+ GPA required
• All coursework is recalculated for GPA (CC and repeat credits)

LUNCH
School of Health Sciences

Michelle D. Southward
Director of Academic Advising and Student Services
Programs and Majors

Applied Health Sciences

Health Sciences

Biomedical Diagnostic and Therapeutic Sciences

Environmental Health and Safety (formerly Occupational Safety and Health)

Wellness, Health Promotion & Injury Prevention
Criteria for Admission

Pre-Major Standing

Wellness, Health Promotion and Injury Prevention requires students to complete a sequence of courses before applying for major standing; students must have a 2.5 GPA (or a 2.75 to become a Certified Wellness Practitioner with the National Wellness Institute)

Major Standing

Biomedical Diagnostic and Therapeutic Sciences requires admission into the internship for any specializations to be added
Criteria for Admission

Applied Health Sciences is open to all students who have completed the Associate of Applied Health Sciences degree in health information technology, medical assistant, occupational therapy assistant, physical therapist assistant, respiratory therapy, or surgical technology.
Human Health Building

Opened Fall 2012
Points of Pride

- Occupational Safety and Health – the undergraduate program is one of only 14 programs accredited by the applied science accreditation commission of ABET nationwide. Upon graduation students receive a bachelor of science degree and also a professional certification, the Graduate Safety Practitioner (GSP). There is a 100% placement rate for program graduates with competitive salaries. Employers across the nation choose the program because it prepares highly qualified graduates that have the skills needed to succeed in the workforce.
Points of Pride

• Wellness, Health Promotion & Injury Prevention is within the top 10 programs in the nation, and is accredited with the National Wellness Institute

• The Doctor of Physical Therapy program has a 100% pass rate, a 100% employment rate, and a 97% graduation rate (3-year average)
