STANDARDS OF STUDENT CONDUCT

Policy Attestation

Each semester, students are required to review the OUWB policies and guidelines online, update food and allergy restrictions, and sign an attestation form. The OUWB Online Attestation module must be completed and signed within the first week of each semester.

Reporting Incidents of Mistreatment, Harassment, or Acts of Discrimination

Students who believe they have been the victim of mistreatment, harassment, or an act of discrimination by a faculty member, staff member, or another student can report it by completing an online [form](#).

- Read OUWB's "Reporting Incidents of Mistreatment, Harassment, or Acts of Discrimination" [here](#).
- Read Policy 710 - Oakland University's policy on discrimination, [here](#).

Professional Code of Conduct

Students who witness or perceive a violation of the Professional Code of Conduct are expected to take appropriate action, including reporting the possible infraction to appropriate faculty members or administrators. Read the policy [here](#).

Standards of Conduct for the Learning Environment

The teacher-learner relationship confers rights and responsibilities on all parties within the OUWB community to behave in ways that fosters respectful behavior, minimizes the likelihood of student or faculty mistreatment or abuse, and optimizes the educational experience for students. Read the policy [here](#).

Consequence of the Loss of Access to the Health System's Medical Record System (HIPAA)

OUWB's health system partner is required by federal statute (HIPAA) to protect the privacy of its patients and the security of its medical record system. If the health system determines that a medical student is to lose access to the electronic medical record system due to a violation of HIPAA Privacy and Security Rules, the student will be dismissed from OUWB without recourse of appeal. Read the policy [here](#).

Attendance Guidelines

Students are expected to fully participate in the curriculum and meet the requirements of attendance as outlined in OUWB guidelines. Individual course or clerkship requirements are listed in the syllabus. Read the policy [here](#).

Social Media Guidelines

Students using social media are expected to demonstrate a level of maturity and civility consistent with the AMA Code of Medical Ethics. Social media communication should never contain information that includes a patient identifier (names, photographs) or any other health information; this also includes photographs or videos of a clinical setting. Students in violation of this guideline may be referred to the Student Performance Review Committee. Read the policy [here](#). Read the AMA Code of Ethics [here](#).

STUDENT SUPPORT

Educational Records - Family Educational Rights & Privacy Act

The Family Educational Rights and Privacy Act of 1974, also known as the Buckley Amendment, provides an OUWB student with the right to inspect and review their educational record and, with certain expectations, to limit disclosure of information from that record. Read the policy [here](#).

Leave of Absence

Students who need to request a leave of absence for medical, personal, or academic reasons should contact the Associate Dean of Student Affairs. Read the policy [here](#).

Blood/Body Fluid Exposure/Finger Stick and Sharps Injuries

Students in medical education are at risk of exposure to blood and body fluid through breaks in skin or mucosal contact. Students should be aware of the policy and procedures to report and respond immediately to any risk of contamination. Read full policy [here](#).

Student Performance Review Committee

The Associate Dean of Student Affairs serves as student advocate and support for any student appearing before the Student Performance Review Committee (SPRC). Read about the SPRC [here](#).

Academic Advising

The Director of Academic Success, Senior Medical School Advisor, and the Academic Success Team are available to meet one-on-one for academic counseling appointments regardless of academic performance. The Academic Success Team can assist with the study planning, learning strategies, skill building, and much more. The team has designed the Academic Success Toolkit as a resource to transition students into the rigors of medical school and throughout their academic program. Access the toolkit [here](#). NOTE: You must use your Oakland University NetID and password to gain access.

MedSync Portal - Academic Success

The Academic Success MedSync portal houses information about the tutoring program including the Online Request Form. The MedSync portal also houses handouts and practice worksheets from tutoring review sessions. Access the Academic Success section of the MedSync Portal [here](#).

Get Involved

Medical Student Government

The Medical Student Government (MSG) at OUWB serves as the official representative body of the medical students to the OUWB administration, faculty, Corewell Health, Oakland University, and the community. For more information email msg@oakland.edu or visit the website [here](#).

Student Organizations

Sign in to the MedSync Portal to explore student organizations. Each organization hosts a page with details about their group's objectives along with a list of member officers, contact information and ways to engage. Contact Students Affairs for MedSync login. MedSync Portal access [here](#).
