

Master of Arts in Liberal Studies (MALS)

Program Path:

IDS Type: Unrestricted IDS

Program Type: Floating IDS Program

Description: The Master of Arts in Liberal Studies or MALS degree program at North Carolina State University is an interdisciplinary, interdepartmental degree program with individually designed concentrations that is designed especially for adult, part-time students, many of whom will probably be working while they are in the program. The purpose of this program is to offer the student the opportunity to undertake a broad, interdisciplinary program of graduate study that integrates and expands awareness and that is geared to the student's personal interests. It is designed for adult students who want to study with outstanding teachers at North Carolina State University and who want to learn more about themselves and the world in which they live.
