

Individualized Master of Arts (IMA)

Program Path:

IDS Type: Unrestricted IDS

Program Type: Foundational IDS Program

Description: The mission of the IMA program is to guide students in the and completion of individualized degree programs. We encourage ongoing personal, professional and cultural learning, and creative, artistic and analytic expression. In a supportive student centered learning environment, we challenge students to develop a critical, reflective and global consciousness. We promote the integration of theory and practice, application and engagement. We believe that these aims need to be grounded in an awareness of, sensitivity to and respect for our shared humanity in a culture that welcomes diverse ways of knowing and being. Students who thrive in the IMA program are self-directed, reflective and committed to social, organizational and personal change. (From website.)
