

UNIVERSITY OF SOUTH DAKOTA

(South Dakota)

Master of Arts in Interdisciplinary Studies (MAIS)

Program Path:

IDS Type: Unrestricted IDS

Program Type: Floating IDS Program

Description: The Master of Arts in Interdisciplinary Studies Degree (MAIS) at The University of South Dakota is designed primarily for non-traditional students. The program is individually tailored for mature individuals who can establish their professional and/or personal goals and articulate the role that advanced academic training plays in achieving them. The purpose of the Master of Arts in Interdisciplinary Studies Program is to allow flexibility in program design and course selection for students who have determined the type of advanced education most beneficial in terms of career development. (From website.)
