

**MA in Individualized Studies**

**Program Path:**

**IDS Type:** Unrestricted IDS

**Program Type:** Floatingl IDS Program

**Description:** The low-residency MA in Individualized Studies Program is a 48-credit, interdisciplinary, liberal studies program integrating personal vision with radical thinking and engaged practice. Students in the program design a curriculum uniquely suited to furthering their own personal and professional goals. Individually designed areas of study may combine or go beyond existing disciplines. Learning in the MA in Individualized Studies Program are rigorous, creative, liberating, and responsible within the larger community. As a result, the program is unusual in merging theory, practice, and an evolving self-knowledge.(From website.)
