UNIVERSITY**

(Idaho)

MA & MS in Interdisciplinary Studies

Program Path:

IDS Type: Unrestricted IDS

Program Type: Floating IDS Program

Description: The program is designed for mature students who wish to continue education at the graduate level but do not seek specialized training concentrated in a major area. This program is not a substitute for the traditional graduate degree; rather, it is intended for students with broader interests in several fields or those whose career goals do not match fully with a single identifiable academic unit or department. Emphasis is placed on continued intellectual and cultural development in a constantly changing society where new career interests may extend over several traditional specializations. (From website.)
