

Master of Arts in Liberal and Integrative Studies (Master's Title selected by the student). Master's Project or Thesis

Program Path:

IDS Type: Unrestricted IDS

Program Type: Foundational IDS Program

Description: Liberal and Integrative Studies is a graduate-level program designed for those students who have clear but unique goals that cannot be met in traditional programs. Students earn their Master's degrees by selecting courses that fit their needs. The LNT program is designed for the self-directed student to facilitate the creation of an individualized master's degree. It is based on the assumption that, as a graduate degree candidate, you have the fundamental knowledge and skills of the undergraduate degree, and that you are able to apply these competencies in a graduate curricular framework.
