Oakland University Footnotes Regarding Proposed Schedule of Tuition and Fee Rates Effective Fall Term 2002

Tuition rates are per credit hour and do not vary between fall and winter semesters and spring and summer sessions. The General Service Fee is assessed each fall and winter term and each spring and summer session. The Recreation Center Fees and Student Activity Fees are assessed each term, however, the spring and summer sessions are assessed at a reduced rate from fall and winter.

Course Fees are assessed for all courses in business, engineering, computer science, mathematics, chemistry, physics, biology, nursing and health sciences. In addition, several individual courses in the School of Education and Human Services and the College of Arts and Sciences are subject to the course fee. The Course Fee is for a standard 4 credit hour course. Courses greater than or less than 4 credit hours will be assessed proportionately. The Course Fee for the masters and doctoral programs in physical therapy is greater by \$30 per credit hour. This differential is used to assist in funding the costs of this high cost academic program.

Competency rates per credit hour do not vary by level nor by residency status.

The Recreation Center Student Fee was assessed for the first time effective Fall 1998. It was assessed to all students except those that are registered as exclusively off-campus. These students will have the option to pay the fee but only those students exercising that option to pay will have access to the building. Students electing to waive the fee will have to pay the daily guest rate in order to use the facility.
