Budget Assumptions

The Oakland University Department of Intercollegiate Athletics' budget reflects the revenues and expenditures of its continuing participation in Division I athletics. Budget assumptions for Fiscal Year 2009 are as follows:

1. Increases in operating revenues over the 2008 budget are expected due to increased revenues from the NCAA and Summit League.
2. Student Tuition/Fees Allocation will increase by 2%.
3. Included in the compensation line item is the addition of a full-time Men's & Women's Golf coach and estimated salary increases.
4. Increases in supplies and services over the FY2008 budget are the result of an increase in insurance premiums, additional multimedia expenses and facilities and program operations.
5. General Fund budget support increases are due to projected adjustments for compensation, to include a new Athletic Director.
