TUITION and CHARGES

The Board of Trustees of Oakland University reserves the right to change any and all charges and rates when conditions or circumstances make change necessary.

Note: Non-resident students are required to pay non-resident tuition rates according to university policy printed in university catalogs. Students classified as non-residents who believe they qualify for resident status should apply for reclassification 30 days before the beginning of a term. Application forms are available at the Office of the Registrar, 101A O'Dowd Hall, (248) 370-3455 or [online](#) (Adobe Acrobat required).

For additional information regarding deadline dates, please see the [Calendar of Important Dates](#).

For additional information regarding tuition and charges, review the [Tuition and Charges](#) on the Student Business Services website.
