

Questionnaire Instructions

Legislation was recently inserted into Section 209 Subsection (5) and Section 245 Subsection (6) of the State Aid Act that pertains to career/tech offerings at the community college or university, the ways students can earn credit, and resources the college makes available. CEPI has created the attached spreadsheet containing the Budget Transparency Icon Badge to assist you in meeting these reporting needs.

By November 15, 2014, Colleges will need to:

- Complete the spreadsheet containing information from the 2013-2014 school year.
- Submit the spreadsheet to CEPI by emailing it to CEPI@Michigan.gov Regarding: Postsecondary Reporting Requirements for Sec. 209 Subsection (5) or Sec. 245. Subsection (6).
- Post the spreadsheet on your website under your college Budget Transparency Badge Reporting link.

CEPI realizes that you may be looking for definitions or enumerations for some fields such as instructor type and location. However, those definitions, beyond the included wording of the legislation, do not exist yet. Please use your best judgment in completing the survey.

Some of the fields may require more text than may be reasonable in the block provided in the spreadsheet. If this is the case for your college, you can either provide a link to the information in the block or send the information in a separate document along with the survey.

If you have questions, please send an email message to CEPI@michigan.gov or call 517-335-0505 and select option 3. Please provide your name, entity code and college name (if applicable), your telephone number (including area code and extension), your email address and your specific questions.
