
Mott Community College and Oakland University
Bachelor of Interdisciplinary Studies

Effective November 1, 2024 – October 31, 2029

The Interdisciplinary Studies program allows students to combine courses from the university curriculum with associate degrees from Michigan community colleges. The Interdisciplinary Studies program is a degree that allows students to design a **customized plan of study** that is directly related to their career and educational goals. The degree is transfer-friendly as it can apply most transferable credits allowing students to maximize their past coursework by integrating it with their coursework at OU.

Program Requirements:

Mott Community College students interested in participating in this Program must:

1. **Complete any of the following associate degrees from Mott Community College:**
 - Associate of Applied Science in Computer Aided Drafting and Design
 - Associate of Applied Science in Mechanical and Automated Design Technology
 - Associate of Applied Science in Electrical Technology
2. **Complete the Michigan Transfer Agreement (MTA)** or OU General Education categories to ensure maximum transferability of 90 credits.
3. **At Oakland University** complete BIS and University requirements for degree. This can be completed in a minimum of 30 credits.
4. Meet with a BIS Adviser to complete required application steps to achieve major-standing in Interdisciplinary Studies. This includes course work selection, written rationale, and approval by the BIS faculty council. The BIS academic advising office can be contacted at (248) 370-3261 or bis@oakland.edu.

Notes:

- The program requires that courses accepted for transfer must have a grade of C- or above.
- The Interdisciplinary Studies major also offers Law School Partnerships with Wayne State University Law School and Detroit Mercy Law. Students may double count their first 30 credits from Law School as their last 30 credits at Oakland University to complete their bachelor's degree and law degree in six years. Admission to Wayne or Detroit Mercy Law is not guaranteed: read more about pre-law studies at OU!
- A focus area option for BIS students is to prepare for the Accelerated Second Degree (ASD) Nursing program. Student's complete all prerequisites required for the ASD program along with approved integrative coursework.
- A Bachelor of Interdisciplinary Studies degree allows highly motivated students considering going to graduate school to study clinical mental health counseling or

school counseling to earn both their undergraduate and graduate degrees in less time with the Combined B.I.S./Clinical Mental Health M.A. or the Combined B.I.S./School Counseling M.A. Students in this program complete 12 graduate-level credits at undergraduate tuition rates.

- Other focus area options may include (but are not limited to) self-designed interdisciplinary programs with focuses in business leadership/communication, entrepreneurship, public health administration, creative design/writing, broadcasting, IT/cybersecurity, public service, pre-professional programs, etc. The opportunities are endless with Interdisciplinary Studies!
- Students may also choose this program to prepare for graduate school by completing required prerequisites along with other coursework to prepare for the next step in their education. Please contact the Bachelor of Interdisciplinary Studies at bis@oakland.edu or 248-370-3229 for more information regarding the program, or visit their website.
