Notes:

- Students must have a minimum cumulative grade point average of 2.5 in the Associate Degree in Nursing program to transfer to OU
- Students must apply and be admitted to the OU School of Nursing
- Students must successfully pass the National Council Licensure Examination for Registered Nurses (NCLEX-RN prior to taking courses in the BSN degree completion sequence and possess an unrestricted nursing license
- Students who do not satisfy the MACRAO/MTA agreement at OCC will need to consult with a SON academic adviser to determine the courses needed to complete the OU General Education requirements. Students will need to take PSY 2740 Human Development Across the Lifespan (equivalent to PSY 2250 Intro to Life-Span Development at OU) at OCC to complete OU's Knowledge Applications category whether completing MTA/MACRAO or individual General Education categories at OU.
- Upon receipt of final OCC transcripts, 63 credits will be awarded for completion of ADN, OU General Education requirements, and PSY 2740.
- An additional 30 credits will be awarded for successful passing of the NCLEX-RN for a total of 93 credits. OU will verify successful completion NCLEX-RN.
- For further information, contact the School of Nursing Advising Office at (248) 364-8733.
