**Notes:**

- Oakland University's Early Childhood Education program starts each Fall semester
- A minimum of 120 credits are required to complete the Bachelor of Science in Early Childhood Education. Additional credits beyond 120 may be required to complete all general education requirements and major requirements.
- Students must have a minimum GPA of 2.8 in order to take Early Childhood Education coursework
- The Early Childhood Education program prepares students to earn a Bachelor of Science degree and recommendation for a Michigan Teaching Certificate
- Passing scores on Michigan Tests for Teacher Certification (MTTC) are required for Michigan Teaching Certification.
- Early Childhood Education students complete field experiences with early childhood general and special education students in preschools, home visits, and other early intervention settings. Student teaching is in an inclusive or early childhood special education preschool
- Contact the School of Education and Human Services Advising by calling (248) 370- 4182 or emailing [edadvise@oakland.edu](mailto:edadvise@oakland.edu) to set up an advising appointment to learn more.
