NOTES:

Students may transfer an unlimited amount of credit from Jackson, and must complete a minimum of 45 credit hours from OU to meet degree requirements. As programs may limit how much transfer credit can be used toward requirements, **it is highly recommended that students work with both an OU academic adviser and their Jackson academic adviser to maximize the applicability of coursework to specific requirements.**

Students must have a minimum GPA of 2.8 in order to be admitted to major standing in Elementary Education. Students with a GPA of 2.5 will be considered for admission to OU.
