

Bachelor of Science in Radiologic Technology

Clinical and Diagnostic Sciences Core Requirements

Oakland University Courses	Macomb Community College Courses
BIO 1200	BIOL 1700
BIO 2100, 2101 and 2600	BIOL 2710
CDS 2100	HHSC 1700
STA 2220	MATH 1340

Radiologic Technology (RAD) Requirements

Oakland University Courses	Macomb Community College Courses
PHY 1010	PHYS 1180
PHY 1020	PHYS 1190
WRT 1060	ENGL 1190 or 1220

Please contact the School of Health Sciences Academic Advising office at 248-370-2369, email shs@oakland.edu, or visit their [website](#) for more information regarding your major program.

TRANSFERRING WITH THE MICHIGAN TRANSFER AGREEMENT (MTA):

When choosing to complete MTA to satisfy General Education, please confirm the best courses to take to fulfill the agreement with your academic adviser at MCC or at the [MCC MTA Approved Courses](#) website. If you intend to complete MTA when following this major guide, take PHYS 1190 or another course from OU's **Knowledge Applications** category in order to satisfy OU's transferable General Education requirements.

TRANSFERRING WITHOUT MTA:

If you intend to transfer without MTA, you can choose to complete additional coursework to fulfill OU's individual General Education categories instead. When following this major guide, please contact the School of Health Sciences Academic Advising office for the coursework that will be required for your specialization, and reference the [MCC General Education Transfer Guide](#) for the MCC courses that satisfy the applicable OU General Education categories.

NOTES:

Students may transfer an unlimited amount of credit from MCC, and must complete a minimum of 30 credit hours from OU to meet degree requirements. As programs may limit how much transfer credit can be used toward requirements, **it is highly recommended that students work with both an OU academic adviser and their MCC academic adviser to maximize the applicability of coursework to specific requirements.**

Students must have a minimum cumulative transfer GPA of 2.8 in order to be admitted to the Clinical Diagnostic Sciences curriculum.

Oakland University will always honor the **MACRAO transfer agreement** and apply it to the General Education requirement the same as MTA.

OU's [ECLIPSE program](#), a unique community-engaged leadership initiative, is one of only a few health-science specific leadership programs in the country.

The Bachelor of Science in Radiologic Technology is [accredited](#) by the Joint Review Committee on Education in Radiologic Technology (JRCERT).

Please visit the department website for additional information regarding [internships](#). Acceptance into internship programs is competitive and is based on grade point average, personal interview, and letters of recommendation. Students must submit a formal application for each program for which they seek consideration.
