Students may transfer an unlimited amount of credit from Mott, and must complete a minimum of 30 credit hours from OU to meet degree requirements. As programs may limit the transfer credits that can be used toward requirements, **it is highly recommended that students work with both an OU (school/college) academic adviser and their Mott counselor to maximize the applicability of coursework to specific requirements.**

TRANSFERRING WITH THE MICHIGAN TRANSFER AGREEMENT (MTA):

When choosing to complete MTA to satisfy General Education, please confirm the best courses to take to fulfill the agreement with your academic adviser at Mott or at the [Mott MTA Approved Courses](#) website. To best complete OU's transferable General Education requirements, please reference the [Mott General Education Transfer Guide](#) and select the following:

- One course from OU's **Writing Foundations** category
*(this serves as an **MTA English Composition** course and is a prerequisite for coursework at OU)*
- One course from OU's **Knowledge Applications** category

TRANSFERRING WITHOUT MTA:

If you intend to transfer without MTA, you can choose to complete additional coursework to fulfill OU's individual General Education categories instead. When following this major guide, please reference the [Mott General Education Transfer Guide](#) for the Mott courses that satisfy these specific OU General Education categories:

- | | |
|------------------------|----------------------------------|
| - Writing Foundations | - Literature |
| - Arts | - Natural Science and Technology |
| - Formal Reasoning | - Western Civilization |
| - Language and Culture | - Knowledge Applications |
| - Global Perspective | - U.S. Diversity |

EXPLORATORY REQUIREMENT:

Students with majors in the College of Arts and Sciences (CAS) must satisfy an exploratory requirement. This can be done by completing a double major or a CAS minor or concentration; or by completing a minimum of 12 credits in a single CAS rubric, outside of their major rubric. For additional options visit oakland.edu/exploratory. Please confirm transfer course choices with an OU CAS adviser. ***Students using MTA or MACRAO must complete the exploratory requirement at Oakland University or another four-year institution.***

NOTES:

Oakland University will always honor the **MACRAO transfer agreement** and apply it to the General Education requirement the same as MTA.

The College of Arts and Sciences requires that a minimum of 16 credits in the major be completed at Oakland University.

Please contact [College of Arts and Sciences Advising](#) at (248) 370-4567 for more information regarding your degree requirements.

For additional information about the major, including career paths, research opportunities, and student organizations, we encourage you to explore OU's [Psychology Program Overview webpage](#).

Coursework more than 10 years old is not automatically accepted toward the PSY major (consult an OU Academic Adviser for more details).
