

Bachelor of Science in Medical Laboratory Science

Clinical and Diagnostic Sciences Core Requirements

Oakland University Courses	Oakland Community College Courses
BIO 1200	BIO 1530
BIO 2100, 2101 and 2600	BIO 2630 and 2640
CDS 2100	MDA 1103
STA 2220	MAT 1580

Medical Laboratory Science (MLS) Requirements

Oakland University Courses	Oakland Community College Courses
CHM 1440 and 1470	CHE 1510
CHM 1450 and 1480	CHE 1520
CHM 2340	CHE 2610
MTH 1441*	MAT 1630*
PHY 1010	PHY 1610
PHY 1020	PHY 1620
WRT 1060	ENG 1520

*Some clinical programs may require MAT 1630; check the individual clinical programs for current requirements

Please contact the School of Health Sciences Academic Advising office at 248-370-2369, email shs@oakland.edu, or visit their [website](#) for more information regarding your major program.

TRANSFERRING WITH THE MICHIGAN TRANSFER AGREEMENT (MTA):

When choosing to complete MTA to satisfy General Education, please confirm the best courses to take to fulfill the agreement with your counselor at OCC or at the [OCC MTA Approved Courses](#) website. If you intend to complete MTA when following this major guide, take PHY 1620 or another course from OU's **Knowledge Applications** category in order to satisfy OU's transferable General Education requirements.

TRANSFERRING WITHOUT MTA:

If you intend to transfer without MTA, you can choose to complete additional coursework to fulfill OU's individual General Education categories instead. When following this major guide, please contact the School of Health Sciences Academic Advising office for the coursework that will be required for your specialization, and reference the [OCC General Education Transfer Guide](#) for the OCC courses that satisfy these specific OU General Education categories

NOTES:

Students may transfer an unlimited amount of credit from OCC, and must complete a minimum of 30 credit hours from OU to meet degree requirements. As programs may limit how much transfer credit can be used toward requirements, **it is highly recommended that students work with both an OU academic adviser and their OCC counselor to maximize the applicability of coursework to specific requirements.**

Students must have a minimum cumulative transfer GPA of 2.8 in order to be admitted to the Clinical Diagnostic Sciences curriculum.

Oakland University will always honor the **MACRAO transfer agreement** and apply it to the General Education requirement the same as MTA.

OU's [ECLIPSE program](#), a unique community-engaged leadership initiative, is one of only a few health-science specific leadership programs in the country.

Please visit the department website for additional information regarding [internships](#). Acceptance into internship programs is competitive and is based on grade point average, personal interview, and letters of recommendation. Students must submit a formal application for each program for which they seek consideration.
